

Allen-Bradley 1747-BA

The Allen-Bradley 1747-BA is a SLC 500 Lithium Battery. It has a Voltage of 3 Volts . Technical specifications for 1747-BA

Manufacturer Rockwell Automation

Brand Allen-Bradley

Part Number/Catalog No. 1747-BA

Series SLC 500

Function Battery

Battery Type Lithium

Voltage 3 Volts

Backplane Current (5 Volts DC) 375 milliamps

Operating Temperature 0-60 Celsius

Cable Belden 9463

Connectors 6-Pin Phoenix Connector

Weight 0.37 pounds (168 grams)

Dimensions 5.72 x 1.37 x 5.15 inches Description

The Allen-Bradley 1747-BA is a lithium battery. The Allen-Bradley 1747-BA is not rechargeable, but it can be replaced. Backup for RAM is provided by lithium batteries like the 1747-BA. Lithium batteries provide backup for approximately 5 years for the Allen-Bradley 1747-L511, while they provide backup for approximately 2 years for the Allen-Bradley 1747-L514. The 1747-BA lithium battery provides power for approximately 2 years for the SLC 5/02, 5/03, 5/04, and the SLC 5/05 as well. The battery LED on the processor will alert you when the battery voltage is low.

Each 1747-BA battery contains 0.23 grams of lithium. Therefore, up to 2 batteries can be shipped together in the United States. Regulations governing shipments to or in other countries may vary. Store in cool and dry environments with an ambient temperature of 20-25 ° C (68-77 ° F) with 40-60% relative humidity. Regularly monitor the temperature and humidity of the storage area. Lithium metal cells and batteries are classified as Class 9 Dangerous Goods by the United Nations. In terms of transportation of lithium metal cells and batteries, in accordance with all relevant regulations, meeting the UN recommendations are required. Do not short-circuit, disassemble, damage, heat or burn the 1747-BA. Do not pile or blend the batteries with each other. Do not place the battery on metal objects, metal plates, or antistatic materials. In the case of multi-cell applications, replace all batteries in the new ones while replacing used batteries. Keep the 1747-BA away from water, rain, snow, frost or dew.
